Dear FCC,
I'm a big fan and
a Christian woman as

This K-Love Radio

sins and forgive our

it and repent we will

and we love the K-Love

I would believe K-
Love service would

help people that don't know the real God and messages and would help them understand God's love and would be of public interest.

Our local community needs to know the messages of God and keep the H-Love on the air 24 hrs.

My friend and I use H-Love devotional songs at S. T. C. Nursing Home in Dighton once a week and the people ~~that~~ enjoy it very much.

The only one that is perfect is our Lord Jesus Christ and I use my hands, mind eyes and go to a church

Dear ~~FCC members~~ of the FCC,

Please know that K-LOVE has to stay on the air because of its numerous benefits. I listen to K-LOVE everyday & I have always hoped for a station like this that does nothing but help people all over the world. For example I was praying for the situation in Iraq & that night I was picking my son up from my ex-husband & I heard that the troops were able to listen to K-LOVE too. It has always been uplifting to listen to music with good lyrics. Because of this station I was able to go to the Spirit Westcoast in San Diego in May & it

Dear FCC:

In Response to your "Localism" campaign;
"MB Docket No. 04-233", I would like to
express how much the ministry of K-LOVE,
(heard on 105.5, 89.1, & 100.9) is appreciated.
To find 24 hour a day, 7 day a week
inspiration available on the radio balances
what can be negative about life, with
what is positive about life. The contemporary
format reaches an even broader listening
audience with real needs for encouragement,
guidance & inclusion. The loss of K-LOVE's
influence would be harmful to the community.
God lives eternally. He is there 24 hours a day,
7 days a week, whether He is acknowledged
by people or not. Real problems &
circumstances in life are addressed in His mercy
& grace & K-LOVE's ministry is a constant
Reminder of this blessing of God's Love.
What a comfort!

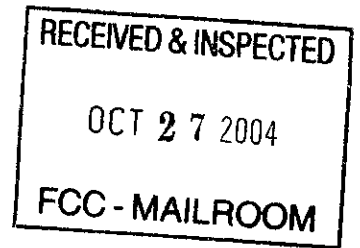

Thankyou for the opportunity to write.

Sincerely,

Susan Gay Mack

Dear Sir or Madame,

Most recently I learned that the FCC is proposing to expand LPFM stations and that these stations will take priority in national or regional services such as my favorite station K-Love. I am writing to ask that you please keep this valuable station on the air.

K-Love provides words of encouragement, scripture, news and great music. On this station I find the only positive media on the radio today. K-Love provides valuable service to our local and national Christian community in that they pray and openly allow us to worship together. I feel completely comfortable in allowing children to listen to this station. One other benefit of this station is that it allows me to hear Christian music and determine which artist's music to purchase. This station is my respite from traffic and daily stress. I personally would be devastated if this station were removed from the radio waves.

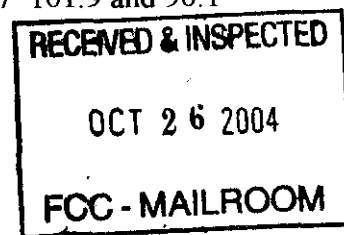

Sincerely,

Debra Griffin

Klove radio station has been a wonderful benefit to my community. My children love to listen to it all day long. I get to hear important news and facts. The songs are upbeat and pleasant. The songs promote harmony and peace in the area. In my area KLOVe is heard on 102.7 101.9 and 90.1
Thank you for keeping KLOVE on the aire.

Dear Sir,

I am writing concerning MB Docket No. 04-233. K Love radio broadcasts out of Myrtle Beach. I believe if you allow LPFM broadcasting it could possibly remove "our" station. K Love is the one and only radio station "safe" to listen to. You never hear about "beer drinking, lying, cheating, killing, or any cursing. It provides encouragement and help for people via toll free telephone numbers. Their news briefs are not full of murders, stealings, and junk like that. It even keeps the community aware of Christian events which are taking place in the community.

Please keep K-Love, 88.9 FM, on the air. Do not allow FM translators to be taken over by Low Power radio stations. Thank you very much.

May God bless your day,
John L. Schlachter

RE: MB Docket No. 04-233

I am writing to you today to tell you how K-LOVE served me as a resident of my local community. I live in Apex, North Carolina – after recently moving from Vista, California. Before moving from Vista, California – I went to the K-LOVE website and found out the station identification and numbers to tune my radio to once I move – so that I could continue to enjoy K-LOVE's station. In my local community – I listen at K-LOVE on 106.7. I am unable to find any other station that so completely meets my listening needs as that of K-LOVE. I listen daily and would be very disappointed if the station was not given permission by the FCC to operate. I listen to announcements regarding local concerts and presentations at area churches and pavilions. I look at the local paper almost everyday – and don't hear the complete type of information and music I enjoy on K=LOVE.

I support K-LOVE financially - as my stand to help support and further the good news I hear. I listen for newscasts – including weather updates, and other important information.

I find the service provided by K-LOVE to be very much in the public interest by providing positive, thought provoking and useful, insightful information.

Please continue to allow K-LOVE to operate in its present manner.

Respectfully Submitted,

Re: MB Docket No. 04-233

It is my understanding that the Federal Communications Commission (FCC) is currently requesting public comment on the issue of expanding services known as Low Power FM (LPFM). I am writing this letter to say that I am opposed to the LPFM stations being allowed to take priority over current FM translator services.

I am a faithful listener and supporter of K-LOVE, which is often heard on FM translators. K-LOVE provides me with family-friendly programming that I really enjoy. I listen every day and it helps me to keep a positive attitude throughout my day. K-LOVE allows me the opportunity to worship day or night. It is also such a comfort to know that when I can't sleep at night, K-LOVE will still be on the air playing positive music and giving words of encouragement that will get me through the night. I know that I am not alone in saying that K-LOVE would be a tremendous loss for my local community. K-LOVE is a vital part of our community and communities all over America. K-LOVE assists local churches in bringing Christian artist to the communities and provides information about upcoming events in the local areas. I do not want K-LOVE to be replaced in my local community by an LPFM broadcaster that does not provide the same programming as K-LOVE.

The ability for K-LOVE to provide national services is of great benefit to me and millions of other listeners. It is wonderful to know that I can travel almost anywhere in the United States and still be able to listen to K-LOVE. The positive programming of K-LOVE allows me to stay connected to friends and family who live in other states. It is amazing that we can listen to the same music and words of encouragement even though we are miles apart. This gives me hope and comfort. It is great to write or e-mail family and friends and share the impact that a song or a Bible verse shared on K-LOVE has had in my life. It is really great to hear that they were listening at that same moment and were also touched.

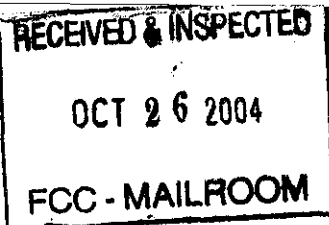

I believe that K-LOVE provides programing that is a benefit to the public. I am acquainted with several traveling sales people and truck drivers who would be lost without K-LOVE stations around this country to keep them focused on positive values and encouraged as they are away from home. I have heard the testimonies of many people who called their local K-LOVE station and explained how they were touched by what they heard on K-LOVE. Some listeners did not commit suicide as they had planned and others have let go of the pain in their lives and been reconciled with family. These are just a few examples of how K-LOVE affects listeners lives every day. K-LOVE helps people around America to heal from their wounds and K-LOVE gives them the courage to overcome their difficulties. America is in desperate need of more positive programing like K-LOVE.

I do not want K-LOVE, or any other national or regional service that uses FM translators to broadcast their message, forced off the air by the proposed rule change. I do not believe that the proposed change is in the best interest of this country if it will result in the replacement of current programming. I sincerely request that the Federal Communications Commission reject the expansion of service to Low Power FM.

Thank you for your time and consideration of my opinion.

Very truly yours,

Linda M. Skaggs

EXPANDING LOW POWER FM STATIONS

I WRITE YOU OUT OF CONCERN FOR THE PROPOSAL OF EXPANDING THE ALLOWANCE OF LOW POWER FM STATIONS BOTH REGIONALLY AND NATIONALLY. IF ALLOWED, THESE STATIONS WILL TAKE PRIORITY OVER CURRENT FM TRANSLATOR SERVICE, FORCING THEM OFF OF THE AIR.

IN THE UTICA-ROME AREA OF CENTRAL N.Y. WE WOULD BE FACED WITH LOOSEING K-LOVE RADIO 100.7 FM - CHRISTIAN RADIO.

K-LOVE 100.7 FM IS LISTENED TO AND FINANCIALLY SUPPORTED BY MANY THOUSANDS OF PEOPLE FROM VARIOUS CHRISTIAN DENOMINATIONS IN THE MOHAWK VALLEY AREA. IT HAS A POSITIVE AND ENCOURAGING FORMAT OF MUSIC AND COMMENTARY BEING SAFE FOR ANY FAMILY MEMBER TO LISTEN TO. 2 FULL TIME STAFF PASTORS ARE ON CALL 24 HOURS A DAY TO COUNCIL AND ENCOURGE THOSE THAT HAVE SUCH A NEED. MY WIFE AND I BELIEVE SO STRONGLY IN THIS, THAT WE HAVE BEEN MONTHLY FINANCIAL SUPPORTERS OF K-LOVE 100.7 FM FOR MANY YEARS. PLEASE CONSIDER MY COMMENTS BEFORE MAKING YOUR DECISION.

RE: MB DOCKET NO. 04-233

DEAR SIRs,

PLEASE CONTINUE TO ALLOW MY STATION- KLOVE- TO BE HEARD ON AN FM TRANSLATOR. IF IT IS DISPLACED BY AN LPFM TRANSLATOR MY FAMILY AND COMMUNITY WILL NOT HAVE ANY CHRISTIAN CONTEMPORARY STATION AVAILABLE AT ALL. .

KLOVE SERVES MY FAMILY AND COMMUNITY AS A LIGHT IN AN OTHERWISE DARK BROADCASTING WORLD. THE MUSIC AND INSPIRATION THEY PROVIDE IS NOT EQUALLED BY ANY OTHER STATION. THEY PROVIDE MANY SERVICES TO THEIR LISTENERS IN NEED- NO OTHER STATION- THAT I'M AWARE OF HAS COUNSELLORS AND PASTORS ON STAFF TO HELP CALLERS WITH LIVES PROBLEMS, SUCH AS: ILLNESS, FAMILY PROBLEMS, JOB PROBLEMS AND THE LIST GOES ON. THIS MINISTRY WOULD BE SADLY MISSED IF THE STATION CANNOT CONTINUE.

KLOVE SERVES THE COMMUNITY BY ALL THE SERVICE IT PROVIDES ITS LISTENERS. KLOVE ALSO SPONSORS MANY PLEDGE DRIVES FOR WORTHWHILE ORGANIZATIONS- WHICH HELP THE NEEDY AND MORE. NO OTHER STATION DOES SO MUCH FOR THE COMMUNITY AND REPLACING KLOVE WITH JUST ANY "MUSIC STATION" IS NOT A FAIR TRADE OFF FOR ITS LISTENERS. I PERSONALLY KNOW THAT THE STATION IS VERY POPULAR IN OUR AREA- IT IS CLEAN AND TEACHES OUR CHILDREN GOOD MORALS AND THAT MAKES FOR A BETTER COMMUNITY- THESE CHILDREN NEED TO BE ABLE TO GROW UP WITH THAT TYPE OF INFLUENCE ON THEIR LIVES.

I PRAY YOU WILL MAKE THE RIGHT DECISION,

Re: MB Docket No. 04-233

Dear FCC,

20 Oct 04

I am writing to share with you how much I appreciate an FM station called K-LOVE. Their music is inspirational and helpful. I am a marriage and family therapist and I have had several of my clients mention that they heard a song on K-LOVE at just "the right time" in their lives.

I very much believe that K-LOVE not only serves me as a listener, but the community as well. The music is inspiring, clean and family friendly. Frankly, there are few station on their air that do what K-LOVE does. Losing this station for any reason would be a loss to my community and to me personally.

I understand that there is talk about expanding LPFM stations and that this expansion might take priority over regional or national stations like K-LOVE in certain areas. Please do not let K-LOVE be threatened by an expansion of this kind.

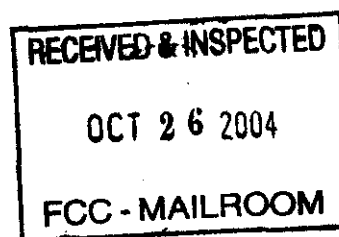

Thank-you for listening.

Dear FCC:

I would like to express my view on LPFM.

I do not want to lose my favorite FM radio station, K-LOVE. It is a wonderful family-centered, positive influence in my life and my children's lives. When we traveled this summer we were able to find K-LOVE just about everywhere we went! It made our trip extra special.

K-LOVE plays wonderful, contemporary, upbeat music without being "preachy". Many of our young people in our city (my 17 year old included), would be saddened at the thought of losing K-LOVE.

We have a wonderful city-wide youth program, funded by government funds, that encourages and rewards good behavior in our youth. The music and programming heard on K-LOVE support the same healthy attitudes and values that our local program is attempting to do.

K-LOVE provides a service like no other radio station I've known. For example, the morning program gets my day off to a good start with a smile on my face.

Please reconsider the expansion of LPFM stations which would have a long term affect on our city. Losing K-LOVE would diminish our choices of good wholesome programming which is steering our youth in the right direction.

Thank you for the opportunity to share my views.

Sincerely,

I am writing regarding "MB Docket No 04-233." My family is a devoted K-LOVE listening household and are deeply concerned about any changes in your policies that could jeopardized its continued broadcast. K-LOVE is the only station we listen to and in our opinion the best Christian Radio station in existence. The selection of music played is very contemporary and appeals to both adult + youth audiences. It is the only Christian station that provides a viable listening alternative for teens and young adults who do not want to listen to secular stations. It is a daily source of spiritual encouragement to ~~to~~ tens of thousands of listeners in our local community.

My household personally + a significant population in the Midland/Odessa listening audience would be greatly impacted by the loss of this station.

PLEASE DO NOT LET an LPFM broadcaster displace K-LOVE FROM THE AIRWAYS!!!

Don't remove K-Love Radio from our area ?

We need positive up lifting music to brighten all the sad and dreary days in this world.

K-Love serves my local community with encouraging words and music day and night.

If the programming were to be displaced we would not be lifted up by what we hear. In some cases be discouraged.

God said for us to build each other up, K-Love does this for thousands of listeners.

The service K-Love provides is in public interest - by the very fact, it is supported by the people who tune in K-Love daily not by advertisements.

On behalf of the K-LOVE radio station, I would like to say how much this station means to me, ^{my} family, & co-workers. It has helped me during a very difficult time in my life when my son was having a problem with prescription drugs & I had to make a very tough decision. My 22-year old daughter listens and it has been very helpful and encouraging to her. In this crazy world where there is so much turmoil and uncertainty, it is wonderful to have such a wholesome, family-friendly station. It helps people stay grounded in their faith. They actually pray for listeners several times throughout the day. It will be a huge loss if this station is replaced by another secular station. Our communities really need the strength of moral values & shaping of character K-LOVE provides. Thank you very much for your consideration.

Federal Communications Commission,

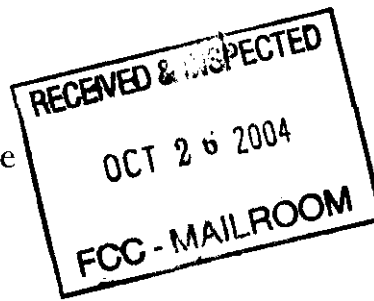

In response to "MB Docket No. 04-233" expanding LPFM service, this expansion would eliminate local programming of the FM station that I currently listen to, K-LOVE 107.1. This station provides positive programming for my family and community, without worry about inappropriate language or material. It provides information about programs and events in my community and surrounding area.

The effect of displacing K-LOVE would be very negative as it is the only station providing this type of programming in this area and the only station I listen to.

K-LOVE provides positive programming that promotes positive values and morals in my community. I feel that the programming provided by K-LOVE is in the best interest of my community, I ask that you **NOT** change the current broadcast service. K-LOVE is providing a positive service and influence in my community and the surrounding area.

We believe K-LOVE is a vital service to our community:

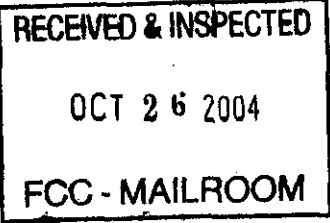

- We appreciate the fantastic programming K-LOVE provides in our local communities.
 - If K-LOVE were to be displaced by an LPFM we would be devastated and the community would be unable to benefit from the positive and enriching music.
 - We believe K-LOVE's primary focus is on calming the community's busy day by providing spiritually uplifting music and personal interest stories which bring real people, with their life situations, and real solutions to the listening public.
- We are truly blessed daily by K-LOVE.

I love my radio station, it plays in my car and in my home continually. It would be a major tragedy if we could not get this radio station.
